

THE East African Missionary Society

REACH UP; REACH OUT – LOVE IN ACTION

Founded in 2001 TEAMS operates in Northern Uganda close to South Sudan.

TEAMS is a small UK charity (1096919) which exists to serve vulnerable people in this troubled part of the world by showing Christian love and support.

In the UK it is run entirely by volunteers which means that 95p in every pound donated goes directly to the people that need our help. (For those able to Gift Aid donations, more than £1 is actually given!)

12 staff are employed in Uganda to run TEAMS (which supports almost 100 people including their families) The church regularly has Sunday congregations totalling more than 300 adults and 400 children. TEAMS programmes include Prison Ministry, Community borehole, Agriculture, Education, a subsidised micro-finance project and the Sanctuary church.

It will cost £28,000 to run TEAMS in 2025 on top of which, we have launched some new appeals for special projects.

This year we have four specific appeals:

- A Borehole for the village of CooPee - £6,000
- Shelter for our Sunday School Children - £20,000
- Village teachers for CooPee which has no school nearby - £1,500
- Educational support programme for vulnerable children - £720 per child pa, but regular donations from £5 per month are most welcome.

To find out more, please visit www.teamsonline.org or call our trustees: Duncan and Rosalind Watt on 01395 515587, or Revd Bruce Thomson on 07807 917206
